The Public . May rest asserted that the maintenever space nother pains nor expense is the preparation of these remedies. They are made of the very best medicines known, in a highly concen-trated form, upon strictly scientific principles. DE SAMUEL GILBERT'S

General Alterative Acts directly upon the Glands and Mucous Membranus—etimulating them to additional activity in their natural functions of climinating from the Givelading Finids the usual Effect and in disease, Marbiel Mastere, and expelling them through the Ekin, Kidneys, Lives, and Blimautary Canal from the Bystern. It is, therefore, adapted for the relief of Chronic Histories affecting them organs, and of the mucous membranes liming thom, such as Eruptions, Tetter, Wicers, Scrofula, Jaundice

Goitre, Chronic Inflamation of Bladder and Uterus, etc. SUPPRESSED MENSTRUATION Hereditary Taints, Syphifis.

DE SAMUEL GILBERT'S TETTER OINTMENT is a most excellent preparation for the cure of that class of maladies unually termed

Diseases of the Skin, d which are partfully known as Chronic Enurrious, Ter" TER, PINTLES, BLINTERS, SCARS, SCALDHEAD, MILECRUST, RISS WORK, etc., etc.

It will also kill. ITCH and other local vermin which pray upon the skin. It settens and detaches the exerumentillust mattern dependenced upon the skin, heals the cracks, blisters and pupiles, and renders the cutsmoons surface smooth and plantille. It has been used by Dr. CILBERT, with most extisfactory results, for many years. It is offered for sale, in this style, from the firm conviction that it must necessarily most with the hearty approbation of those who make use of it.

Full directions for the method of using these remedies, a plant and recurste description of a number of the different varieties of Skin Discours, and many valuable suggestions in regard to their cure, will be found printed on the circular accompanying each parkage. These magnetions are the fruit of most ample superience asquired by Dr. Samuel Gilbert during his extraordinary perfousion it earner to albe treatment of this class of discourse in the cities of Mosphia, New Orleans and New York; and will, it is expected, analys most unprofession—I persons to treat their own camer with much greater streems han that which usually fails to the lot of ordinary physicians.
